

WELDAS®

The Professional's Choice

Weldas Europe catalog 2012

WELCOME TO THE WELDAS EUROPE CATALOG !

This catalogue wants to inform you about the Weldas products which are manufactured in our own, by TÜV, ISO certified factory. Most of the products are also CE certified, again by TÜV, and you find the information with the products including the numbers of the certificates, copies of these certificates are always at your disposal. The pH, CHROMIUM (VI) and PCP levels of all materials in Weldas products have been tested and meet CE health standards. Colouring is done by natural materials. Please visit for more information our website: www.weldas.com.

WILKOMMEN IM WELDAS EUROPE KATALOG !

Dieser Katalog informiert Sie über die Weldas Produkte, die in unserem, vom TÜV, ISO zertifiziertem Werk, hergestellt werden. Die meisten Weldas Produkte sind vom TÜV nach den CE-Richtlinien zertifiziert. Die Nummern der Zertifikate entnehmen Sie bitte der Produktbeschreibung. Kopien sind selbstverständlich jederzeit zu erhalten. Die pH-, Chromium-(VI) und PCP-Werte aller Weldas Materialien sind nach den CE Gesundheitsstandards getestet. Zur Materialfärbung werden nur natürliche Farben verwendet. Bitte besuchen Sie auch unsere Homepage: www.weldas.com.

BIENVENUE DANS LE CATALOGUE WELDAS !

Ce catalogue a pour but de vous informer sur les produits Weldas, fabriqués dans notre propre usine et certifiés ISO par TÜV. La plupart de nos produits sont aussi certifiés CE par TÜV. Vous trouverez ces informations avec les produits, y compris les numéros des certificats, les copies de ces certificats sont toujours à votre disposition. Les niveaux de pH, Chrome (VI) et de PCP sont testés sur chaque produit Weldas et sont conformes aux standards de la santé CE. Les couleurs proviennent de matériaux naturels. Vous pouvez aussi visiter notre site: www.weldas.com.

WELKOM IN DE WELDAS EUROPE CATALOGUS !

Deze catalogus wil u informeren over de Weldas producten gefabriceerd in onze eigen, door TÜV, ISO gecertificeerde fabriek. De meeste van onze producten zijn CE gecertificeerd, door TÜV. De informatie hierover vindt u terug bij de producten, inclusief de nummers van de certificaten. Kopieën van deze certificaten zijn ten alle tijden bij ons verkrijgbaar. De pH, CHROMIUM (VI) en PCP waarden van alle materialen in de Weldas producten zijn getest en voldoen aan de CE standaards. Verven van de producten gebeurt met natuurlijke materialen. Bezoek voor meer informatie onze website: www.weldas.com.

BEM-VINDO AO CATÁLOGO EUROPEU DA WELDAS!

Este catálogo contém informações sobre os produtos Weldas produzidos na nossa própria fábrica, a qual possui certificação TÜV e ISO. A maior parte dos nossos produtos são também certificados pela CE e TÜV. Encontrará essa informação junto aos produtos. O número das certificações, assim como as cópias das mesmas estarão sempre à sua disposição. Os níveis de PH, Crómio e PFC de todos os materiais dos produtos Weldas foram submetidos a teste e obedecem às normas de saúde da CE. A coloração é feita através de substâncias naturais. Convidámo-lo a visitar o nosso site, onde poderá obter mais informações: www.weldas.com.

BENVENUTI NEL CATALOGO WELDAS EUROPA !

Questo catalogo è stato concepito per informare su quanto la WELDAS produce in proprio attraverso un'azienda certificata ISO dal TÜV. La maggior parte dei prodotti sono anche certificati CE, sempre dal TÜV, e le copie di questi certificati sono comunque a vostra disposizione. Il PH, il cromo (VI) ed i livelli PCP di tutti i materiali nei prodotti Weldas sono stati testati ed incontrano gli standard CE. La colorazione viene effettuata utilizzando solo sostanze naturali. Potete visitare il nostro sito all'indirizzo: www.weldas.com.

WITAMY W KATALOGU WELDAS EUROPE !

W niniejszym katalogu chcemy przedstawić Państwu produkty Weldas produkowane w naszej fabryce, certyfikowanej przez TÜV oraz spełniającej normy ISO. Większość naszych produktów jest również przetestowana przez TÜV i posiada niezbędne certyfikaty CE, które są zawsze do Państwa dyspozycji i o których więcej możecie Państwo przeczytać przy poszczególnych produktach. Materiały używane do produkcji są regularnie testowane i spełniają wszelkie wymagania CE dla poziomów PH, chromu VI oraz PCP, a ich barwienie następuje przy użyciu naturalnych barwników. Po więcej informacji zapraszamy na naszą stronę: www.weldas.com.

VÄLKOMMEN TILL WELDAS EUROPE'S KATALOG!

Med denna katalog vill vi informera er om Weldas' produkter, som är tillverkade i vår egen, av TÜV, ISO certifierade fabrik. De flesta av våra produkter är även CE certifierade, också av TÜV, och du kan hitta den informationen tillsammans med produkterna, inkluderande antalet certifikat. Kopior av certifikaten finns alltid tillgängliga för er. pH-värdet, Krom (VI), och PCP halterna för alla material i Weldas' produkter har testats, och möter CE's hälsostandard. Färgning är gjord med naturmaterial. Besök gärna vår hemsida www.weldas.com för mer information!

VELKOMMEN TIL WELDAS EUROPA'S KATALOG !

Med dette katalog vil vi informere om Weldas produkterne, som er fremstillet på vores egen fabrik, der er TÜV og ISO certificeret. Mange af produkterne er også CE certificeret, også af TÜV. Herudover er der informationer om produkterne, antal certifikater som ligger på vores hjemmeside til fri download. Ph, Crom6 og formaldehyd grænserne på alle Weldas produkter er testet og overholder EU standard. Indfarvning er udført med naturprodukter.
